ART OF LIFE 1–72

VOLUME 8

Sufferings, referred to the Great Tribulation has not yet started, but so many have felt so much adversity by the testing attacks of the Arts of Destruction. How much more on the right time as decreed for that. Behold, do not be left behind the final arrangement to prepare yourself for the bigger event of time, To Be Able to Escape Certain Harms from the Arts of Destructions. As earlier as now, Develop Spiritual Martial Arts, to protect yourself from the harms of negatives. Things are already happening at the inner side (souls' harvesting time). Thus, be wise enough to undertake actual training of Spiritual Martial Arts. The truth that will really matter in life is, —that you can stand by the attacks of the negatives; which means, truly practice powerful Self-protection, Art of Life 1---72

IMPORTANT PRINCIPLES

Art of Life 1---72

Lose nothing, gaining more
May lose once, gain more

Art of Destruction 666

Lost once, even more

Grounds that can make every mortal person a loser in life

- Blinding ignorance (weak spiritual foundation)
- Weariness
- Presumption not precaution (carelessness)
- No actual good inner formation (non-fulfilling higher spiritual connections)
- Succumb with mind power control poisoning (poison energies)
- Weak will-power (no vigor of spirit)
- No inner cultivation (non-doing-mental discipline)

- Non-practicing Spiritual Martial Arts (on and off -inner cultivation)
- Etc.

Wake up spiritual awareness, so many ways that can trap the soul with illnesses, weariness, hatred, self-pity etc. Words may always happy, sad, promising, depressing etc. but those are really words; while the one thing that matter most is, —you must not be ruined by the arts of destruction. Thus, train yourself—Spiritual Martial Arts. Trainings are ongoing, at Sun Core Grid Art of Life 1---72.

TO EVADE SIDE EFFECTS FROM THE ART OF DESTRUCTION

Mind Power Control Poisoning

Applicable if not too late working with the given Advanced Spiritual Dimension (SD) procedures. If too late, the last option is Spiritual Sanction.

To rid of Mind Power Control Poisoning (poison energies) in the body that can corrupt the rests dimensions of a soul.

1. Daily exercises of Art of Life 1---72 (morning and evening sessions) for sixth months period. On and off exercises, is ineffective).
2. Ascension Oil (daily); in case no ascension oil, (water blessed by SSLA)
3. Governing Stars Formation, Palace of the Olympic Stars' Meditation System (once a day)

SPIRITUAL SANCTION

SD privilege, a consent given to a soul (Death-Birth-Omega-Alpha) to enter the Astral-Spiritual (SD)-Divisions especially, the Reserved Astral-Spiritual Division. The sanction came from the precise office of the soul's Guardian Angel and Spiritual Master of such a subject soul and received through the SD Office (higher dimensions). The sanction is usually given to a person under the following circumstances;

1. To speed up spiritual growth of a soul
2. To upgrade the physical dimension of a soul

3. To save soul from the harms of total destruction aka second death by the power of “Mind Power Control Poisoning, involving super power that can kill the soul.

In the case of SPIRITUAL SANCTION, the physical body will die (due to various reasons of illnesses etc., while the soul will safely enter into the SD astral-spiritual divisions.

INTRIGO

Spiritual Authority to transport the souls into the SD—Astral-Spiritual Divisions “ For further processes of “Souls’ Purification.” SD—Astral-Spiritual Divisions “ For further processes of “Souls’ Purification.” SD, Astral-Spiritual Divisions are not any longer reachable by mind power control poisoning. However, the rest astral-spiritual world is vulnerable by mind power control poisoning, so allowing any soul in the astral-spiritual world, subject to become victim of mind power control poisoning.
